Dear Parent/Carer – Year 5 and 6 students

Primary Open Evening at Brookfield - Wednesday 27th September 2023

I would like to extend a very warm welcome to students and parents to our annual primary open evening. Brookfield is a wonderful school with incredible students. Our mission - '*Committed to Excellence*' - drives all that we do. We aim to ensure that every child achieves their full potential, through outstanding academic experiences at school in addition to extensive extra-curricular opportunities. In March 2019 we joined The Redhill Academy Trust, one of the highest performing Trusts in the East Midlands. This partnership includes 10 secondary and a growing number of primary schools, supporting one another in the pursuit of delivering outstanding education for their local communities and children.

The choice of a secondary school is an important decision for families. We recognise that the process of finding out about a school is crucial and can provide reassurance and, indeed, anticipation. We are delighted to be able to offer families the opportunity to visit Brookfield for our primary open evening, which is one of our main events of the year.

The evening will be comprised:

- A presentation in the Main Hall by Mr Hirst and Mrs Allan
- Tour of the school and visiting subject areas
- Opportunities to talk with Brookfield staff and students
- Sampling of school meals

In order to manage numbers and, to make the evening more accessible and comfortable for everyone, we are offering two presentation slots in the Main Hall, one at 18.00pm and the second at 18.45pm.

Please could parents and students from the following schools attend the presentation at the allocated time shown below if at all possible. All other primary schools please attend either of the above sessions.
