

BROOKFIELD COMMUNITY SCHOOL

COMMITTED TO EXCELLENCE

Year 7 'History of Iron' competition

Brookfield Community School is proud to be working with United Cast Bar UK to offer year 7 Students the opportunity to take part in a unique competition whilst learning about careers in manufacturing and engineering. Students are challenged to create a short (3-5 minutes) boardroom presentation on the following;

- The history of iron
- It's impact and position in Chesterfield over the last 50 years
- The uses of irons in modern life

Our aim is to encourage students to understand the development and importance of industry in the local community, the careers that are available in the manufacturing and engineering industries locally and to show what interesting and rewarding careers these Industries can offer. We would expect this to be a team effort (no more than 3 students per team), researched and presented by all team members using PowerPoint. Ms Williams, Mr Hirst and a representative from United Cast Bar UK will judge the entries to determine the winning team.

Key Dates:

- 9th June 2023 - Launch
- 13th June 2023 - Deadline for handing in entry slips to reception
- 26th June 2023 - Judging in School
