Headteacher: Mr K Hirst

20<sup>th</sup> September 2024

Dear Parent/Carer

### **Years 10 & 11 Revision Guides – GCSE Science**

We are offering suitable revision guides for the GCSE Science course, available for you to order, which will support your child in their GCSE studies and Year 11 exams. These revision guides are highly recommended, will complement lesson notes and be a useful aid to revision. The revision guides are from Collins and are A4 size, softback and will come as a bundle with revision flash cards. Please note some Year 11 students have already received these resources last term and so do not need to order them again.

- The cost of the **Combined** Science revision guide and flash cards if ordered through school is £12.20.
- The cost of the **Triple** Science revision guides and flash cards if ordered through school is £18.25.

If you wish to order a revision guide and flash cards for your child, these are available to purchase through ParentPay. Please choose the correct option on ParentPay depending on which course your child is studying: combined science or triple science.

Please order on ParentPay by 14<sup>th</sup> October 2024.

Yours faithfully

*S Brooks*
