Headteacher: Mr K Hirst

21<sup>st</sup> October 2024

Dear Parent/Carer

### **Level 2 Qualification in Sports Leadership**

As an experienced sports leader, your child has expressed an interest in obtaining the Level 2 qualification in sports leadership.

The qualification will be delivered by SHAPE sports partnership. The qualification is nationally recognised and gives students the skills and knowledge to lead young children in sporting activities.

Students who complete the course will learn how to use leadership skills such as communication and organisation in practical sporting situations and have the opportunity to practise these skills both in groups and as individuals.

I believe that sports leadership is excellent for building student confidence and giving them transferable skills that will be invaluable for their future lives.

Students will need to attend sessions every Wednesday, starting on Wednesday 6<sup>th</sup> November 2024 from 3-4pm until approximately February 2025. They will need to bring a PE kit with them and be prepared to engage both in classroom theory work and in practical leadership sessions. They will also need to complete a series of leadership assessments to gain the qualification.

It is vital that students approach each session with a mature attitude and are willing to both lead other students in the session and be led by others too.

There is also a cost associated with this qualification that we are asking parents to cover. This is £45 and must be paid through Parentpay before your child begins the course.

Places are limited on this programme and I need parental permission from you in order to secure your child a place. Please give your permission through Parentpay by **Friday 25<sup>th</sup> October 2024**. Places will be awarded on a first come, first served basis.

If you have any questions regarding the session, then please do not hesitate to contact me at school.

Yours sincerely

*D Thompson*
