11th February 2025

Dear Parent/Carer,

GUTS Trip 2025

A fantastic opportunity has arisen for our Year 8 students to attend a high interactive career's event showcasing the best of science, technology, engineering and manufacturing. There will be lots to see and do with plenty of hands-on experiences. The event will take place at Magna on **Wednesday 19th March 2025**.

We have arranged for students to travel to and from the venue from school by coach. This trip cannot be funded without voluntary contributions from parents, so we are asking for a contribution towards the cost of transport for this activity of £10.50. Please note, that if insufficient voluntary contributions are raised to fund the visit, then it will be cancelled. If you wish to make a contribution but have difficulty in doing so, please discuss the matter in confidence with myself or a senior member of staff. Refunds will not be given unless the visit is cancelled by the school.

Students will meet in the main hall 8.30am to be registered and the coaches will then leave the front car park at 9.00am, arriving at Magna Science Centre for 9.45am. Students will then have 4 hours to explore the exhibition with supervising staff.

We will leave Magna at 2pm. Please can students bring a lunch, snacks and drinks with them and must be in full school uniform.

If you would like your son/daughter to take part in the visit, please go to Parentpay where you can submit a voluntary contribution and give consent for your child to attend. Please ensure this consent is given by Friday 7th March 2025.

If you have any further enquiries, please do not hesitate to contact me.

Yours sincerely

Mrs L Bradshaw
